SUMMARY

Proactive and results-driven Software Developer with expertise in **full-stack web and mobile development, API architecture, and cloud integration**. Holding a **Bachelor of Computer Application (BCA)** from **Guwahati University**, I am proficient in **React, React Native, Node.js, Express.js, and .NET**, with experience in **MySQL, PostgreSQL, and Firebase Firestore** for secure and optimized database management.

Strong background in **DevOps practices**, including **AWS RDS, cloud deployments, and domain management**, ensuring high availability and performance. Passionate about building **scalable, high-performance applications** with a focus on **user experience, security, and emerging technologies**.

PROJECTS

- Ace Car Rental, Web Craft Agency, SymBios Subscriber App, Movie Website, Dog-Finder, Etch-a-Sketch ([Live Projects](#))
- Developed **web and mobile applications** using **React, React Native, and API integrations**, enhancing **interactivity and performance**.
- Additional projects currently in development.

PROFESSIONAL EXPERIENCE

SymBios Creations Private Limited -Full Stack Developer; Dimapur (IND) *July 2024 – Present*

- Achievement:
 - **Designed and implemented APIs** for the **SymBios Mobile App**, integrating services such as **WhatsApp, SMS, Email, and Payment Gateways**.
 - Enhanced **mobile app UI** using **React Native**, improving user experience and engagement.
 - Developed and managed the Service Request (SR) module, enabling a full ticketing lifecycle (ticket raised → updated → fixed → closed) for customer care when users raise SRs via the mobile app.
 - Built and optimized **Leased Line Service Request** and **OTT Addition** modules, ensuring seamless system integration.
- Key Activities:
 - **Optimized database performance** by refining queries and managing **SQL and Firebase databases** for high availability.
 - **Optimized site performance and user experience** through proactive maintenance, debugging, and performance tuning.
 - **Developed and deployed automated WhatsApp, SMS, and Email templates** for customer communication and notifications.
 - **Managed Windows Server infrastructure**, overseeing deployments, maintenance, and troubleshooting.
- Tools Used: VS Code, Visual Studio, SQL Server Management Studio, GitHub, Google Suite, Google Meet

Mahendra's – Guest Faculty; Dimapur, (IND) *August 2023 – September 2023*

- Prepared students for the NSSB examination by delivering a tailored curriculum in computer science.
- Taught students for the NSSB exam at Tesco College through an extended partnership with Mahendra's.
- Designed and delivered a structured curriculum for successful NSSB examination preparation.

IIHT-IT Faculty; Dimapur, (IND) *November 2022 – April 2024*

- Proficiently taught diverse courses, including CCA, PGDCA, and web design (HTML5, CSS3, and JavaScript).
- Instructed programming languages such as C, C++, Visual Basic, and SQL.
- Passionately created an engaging learning atmosphere, motivating students to thrive in information technology.

EDUCATION

Guwahati University, Pragjyotish College | Bachelor of Computer Application (BCA) | Guwahati, AS | August 2022

Concentrations: Computer Science & Architecture, Database Management & Web Development | CGPA: 7.2 / 10.

AHSEC, Swadeshi Academy | Intermediate of Science (12th) | Guwahati, AS

NBSE, R.J.H.S. S| Secondary (10th) | Dimapur, NL

CERTIFICATION

Front End Development **Libraries** Certification

Legacy **JavaScript Algorithms** and **Data Structures** Certification

Responsive **Web Design** Certification

SKILLS & INTERESTS

Programming Languages & Frameworks: React Native, Node.js, Express.js, C#, ASP.NET Core, Python

Frontend Development: HTML, CSS, JavaScript (ES6+), TypeScript, React.js, Next.js, Bootstrap, Tailwind CSS

Backend & Databases: SQL, PostgreSQL, Firebase, MySQL, MongoDB, RESTful APIs

Cloud & DevOps: AWS (EC2, RDS, S3), Firebase, Docker, CI/CD, Cloudflare, Nginx

Tools & Platforms: Git, GitHub, Render, Vercel, Hostinger, Postman, Swagger

Other Expertise: API Development, Secure Authentication (JWT, OAuth), Payment Gateway Integration (PayU, Paytm), Windows Server Management, Agile & Scrum, Debugging & Performance Optimization

Soft Skills: Strong Communication | Analytical Thinking | Problem-Solving | Team Collaboration

Languages: Native Hindi Speaker, Fluent in English, Assamese, and Nagamese.

Interests: Technology Trends | AI Tools | Software Optimization | Movies | Sports
